

Safeguarding Quality

MOTOR OILS AND GREASES

AMERICAN Certified Quality **GASOLINE**

GADULINE
is refined from only the best grade of crude oil; but more than that is required to produce a gasoline that will give real service and satisfaction. During the process of refining. American Gasoline is subject to more than a hundred rigid tests before the product is ready for the market. To farther safeguard the quality and maintain it, the flinkled product is constantly checked and tested by able chemists in our laboratories. From these aumeerous tests it is evident that the greatest possible care is taken to produce a gasoline of distinctive quality excellence. Performance is the test of quality excellence. Performance is the test of quality excellence.
