Why Impose on Your Friends?

You wouldn't call up a friend, and ask him to drive around for you in his car, when there are taxis available, would you?

Then why ask him to administer your estate, when there are adequate provisions made for doing this work by institutions experienced in this work?

Think it over!

Red Crown

Is Quality Gasoline

It is made to generate power in your engine—the kind of power which makes you smile as your car goes spinning over the roads, up hill or down, without apparent effort.

It is a gasoline of high quality and the quality is maintained. You, who use it regularly, can absolutely depend upon it, for it is always the same and may be obtained everywhere—every few miles in the country and every few blocks in the city.

That Red Crown quality is sustained is evidenced by its continual use by 2 1/2 million motorists.

Red Crown Gives Superior Service

It starts easily—summer or winter, it enables your car to get away quickly; to accelerate smoothly and delivers to your rear wheels all the power and speed your car is capable of developing.

As to mileage, Red Crown gives more miles per gallon than any gasoline you can buy.
