WHAT LEGION POSTS CAN DO

Jaso make the fown look better and could show other towns that we had contributed our share towards defeating the Kaise's is another ten of "Clean streets is another ten of "Clean streets is another ten of "Clean streets and silevalks free from all kinds of waste matter.

"Another thing of importance 1s³ a public playground where children of all ages could go and play any time that they wish to. This playground would require a supervisor to keep the grounds in good condition keep the grounds in good condition would keep the children off the streets and therefore there would be less chance for accidents.

"A band stand would be a very nice thing for the town to have. We have a very nice band, but there is no good place to play outdoors, while they have the could be they could be they could be they could be they are very nice band, but there is no good place to play outdoors, while

Legion Probation Plan Saves Many Detroit Ru-Service Men From Stigma

of Prison Terms.

Judge Thomas M. Cotter of the Reworder's court of Detroit. Mich. actgon suggestion of the American Leion, has successfully put into operaion, probation plan, which has intilled in the minds of many former
erice men a high regard for the aunority of the law.

The system was suggested in 1015,
allowing discharge from military servimen some were forced to appear in
solice court on minor charges of mismenanors. Under the plan imaguted many of these men were sparred
a sigma of a prison sentence, due
a far-sighted policy instigated by
due Cotter.

of the court. Out of \$47 former we men who appeared before Cotter, only six or seven re-red in his court to answer res for violation of the statutes.

LIVE STOCK NOTES

Vaccinate against heg cholera,

first and fourth week or its tire.

It is not hard to show that the number of pigs/saved during farrowing time has much to do with determing the cost of production.

Sow and litter should have wide range of foruge crops. Self-feeders may be used on tyrage for fattening hogs.

All lambs should be docked when about the days old. This is easily done by removing the tall with a sharp fatter of focking iron about one inch from the body.

Poorly alranged, insanitary farrow int houses are responsible for 50 per cent of deaths due to injury and dis-

if you have purebred stock on the farm, no matter what kind of stock it is, do not get it into your head the you can improve h by cross breeding for you cannot do it.
