WINDSOR NINE SWAMPS BIRMINGHAM UNDER 15 TO 5

In a slugging battle last Thursday, May 31, the Birmingham baseball nine were defeated by the Windsor Collegiate team 15-5.

Lefty Scharr started on the mound for Birmingham, but was hit hard, allowing five runs in the first inning. Bill Drake replaced him in the second frame and worked effectively for three periods, when his teammates weakened, and he also fell down. In the ninth the Windsor boys romped around the bases for four runs.

In the last three innings everything went fine for the local team. They seemed to gather all the strength that was ever in them and held their opponents scoreless.

Bob Shave had another good day, getting two homers and two singles out of five times at the plate.

Bill Edwards, Windsor's pitcher, was very good but was quite wild at times. Edwards pitches for the Windsor Tigers and is supposed to be very good.

The Birmingham team had several good chances to get back at their opponents, having the bases full twice, but were unable to score either time.

SEVENTH GRADE GRAMMAR CLASS AT BOB-LO

Last Saturday the seventh grade grammar class visited the very popular island of Bob-Lo. They took Miss Fearron, Miss Densmore and Mrs. Porritt as chaperons. A good time was had on the boat, especially dancing, but most of the class reserved their energies for the many pleasures on the island.

When the boat landed there was a wild scramble to get a satisfactory table. This secured they proceeded to devour the wonderful luncheon set before them and finally separated

each to go and seek the th alluring to him.

The Whip and Merry were never-ending sources of amusement, two of the girls riding in succession, also played their part, taking and boys around at a quick times, balking at others, by fun, anyway. Others preferring, it seemed to be a purposely for this sport.

At last it was time to go seemed in a hurry to leave but as boats don't run never wait for laggards, it forced to say good-bye and turn to Birmingham.
