

ENGINEER SAYS IT IS WORLD-BEATER

"My Digestion Is Sound as a Dollar Since Taking Tanlac," Declares Buffalo Citizen.

"There is no doubt about it, Tanlac does all they claim it will do—and more." was the positive statement made recently by Richard H. Lawson, well-known engineer, of 1007 Elmwood Ave., Buffalo, N. Y.

"I used Tanlac for a combination of troubles and it put me in splendid condition all the way round. First, I had a bad case of stomach trouble, was simply chock full of sourness and gas, had a general distressed feeling and a burning pain in my stomach that I couldn't get rid of. With my appetite wrecked and digestion gone, I became awfully weak, nervous and run down and could get scarcely any rest or sleep at all.

"Tanlac answered every demand made upon it in my case and today my digestion is sound as a dollar. I have an immense appetite, and with every ache and pain gone, I am sleeping fine and feeling strong and energetic as of old. Tanlac is 100% good."

"Tanlac is for sale by all good druggists. Over 25 million bottles sold—Advertisement."
