TENNIS CLUB FORMS

A number of Birmingham tennis enthusiasts met at the Baldwin high school Wednesday evening and took preliminary steps to form a tennis club. One purchase list was presented and estimated costs of concrete courts and other initial expenses discussed. A real estate committee, consisting of Albert Wray, W. W. Raymond, E. M. Danziel, and H. H. Houghton, was appointed to take care of other sites both for purchase and for lease.
The group decided to defer election of officers and formal organization of the club until the next meeting which will be held at the high school Tuesday evening, March 13, at 8 o'clock. All interested are asked to be on hand as the question of membership fees, dues and purchasing of property will be decided.

Born Wednesday, February 28, to Mr. and Mrs. A. R. Tuffin, of Brown street, a 7 pound girl baby.

You may have seen "The Madams" before but not as presented by the Pontiac Little Theatre Club. See them at the Baldwin Auditorium Monday, March 10, for 2:00, 5:00 and 7:30.

PARENT-TEACHER ASSOCIATION NOTES

Mr. Frank Coyle, superintendent of Detroit schools, will speak in the Baldwin auditorium on Sunday evening, March 12, under the auspices of the Parent-Teachers' Association of the Baldwin high school. Mr. Coyle, who has a state-wide reputation as a speaker along educational lines, will discuss his subject, "The Purpose of Parent-Teacher Associations." This meeting is open to all those interested in children and their welfare so come and bring your friends. Let us show Mr. Coyle that we are progressively minded in all things tending to the better welfare of our children by being one of a large crowd next Monday night. There will also be a musical program.

The regular monthly meeting of the Council of Parent-Teacher Associations was held in the Baldwin high school, Tuesday evening, March 6, with the president, Mr. Whalen, in the chair.

Mr. Jones, the school nurse, appeared by request, with a list of all underweight children in the three grade schools. The underweight children are weighed monthly by the school nurse—sometimes oftener. The manner in which these underweight children, who are receiving milk twice daily in our schools, show consistent gain is most gratifying to those on whom falls the burden of serving milk in the schools. One case was noted of a child who gained four pounds in the first two weeks in which he was served milk at school and has showed a steady gain since.

To help defray the expense of furnishing milk to these financially dependent, there have been placed in several prominent stores, milk bottles in which you are asked to drop a few stray coins. This money is collected by the Council of Parent-Teachers' Association and devoted to the milk fund.

The subject of a school physician was brought up and discussed. It being the consensus of opinion that in many cases, the school nurse's work would be supplemented and furthered by the attendance of a regular physician. It is understood that several of our doctors are willing to cooperate in this work—dividing the necessary duties among them and giving their time free of cost.

The Barnum School Parent-Teacher Association will hold a get-together evening meeting on Saturday, March 17, in the school building. All parents are urged to come and get acquainted.

quainted. Through the courtesy of Mr. [name] of the Hunt road, a radio will be installed and it is hoped different cities may be heard from. A feature of the evening will be a swapping party. Each member is to bring some wrapped article, these to be exchanged without opening. Refreshments will be served.

Hill School Parent-Teachers' Association held an enthusiastic meeting on Tuesday afternoon of this week with 86 members in attendance. Mrs. B. C. Stewart spoke on "School Conditions in China." A nominating committee was appointed to select a new president. Mrs. Mann having been obliged to resign because of ill-health. Mrs. Easterday will act as president pro tem.

Mrs. James Walls of Pontiac, was the guest of Mrs. Chaucery Nixon of Merrill street, Tuesday.

Miss Mary Maher of Detroit, is visiting at the home of Mrs. Victor Pullock of Vinewood avenue, this week.

After closing their country home at Wing Lake, Mr. and Mrs. W. J. Biggers left several weeks ago for an extended trip through southern California. During their stay at the Ambassador hotel in Los Angeles, they met Mr. and Mrs. Joseph Mack, of Quenton Road, and Mrs. Walter Morley, of Lone Pine Road.

Saturday and Monday, Elizabeth Pauroy of Chicago, was the guest of her mother, Mrs. Emma Pauroy, of North Woodward avenue. Miss Pauroy is library supervisor of the St. Victor's hospitals in the Fifth District.

The Art Exhibit, held under the auspices of the Federation of Women's Clubs, Detroit, at the Book Building, held of Feb. 26 to March 3, was a splendid success. Many Birmingham artists were exhibitors. Mrs. Lewis, general chairman of the exhibit, expressed the hope that there was a movement to have a state-wide canvass to have exhibitions of that nature and to have them without a long time being coach there. He will spend the morning and early afternoon in the office, taking the latter part of the afternoon for training the baseball team.

Alex Furdy and daughters, E. and Lucy, of Evergreen and 12-1/2 roads, were guests at the home of William McKinley of Brown at Saturday.

Robert Moore, Republican candidate for Bloomfield Township Clerk, your support at the caucus in March will be appreciated. adv46-46

Promises of One Year ago

(Reprinted Eccentric April 14, 1922)
On Jan. 3, 1922, the Executive Committee authorized the President to increase the membership of the committee to seven.

The committee was composed of the following members of the Board: James Campbell (chairman), Luther D. Allen, supervisor, Clarence Viet, W. W. Henry, Fred V. Quarton, William Odom, member of Board of Review, Louis Hascall and President J. B. Howarth, ex-officio member and acting secretary.

To date the committee has held fourteen meetings, beginning Jan. 14, 1922.

To show the interest taken in the work of this committee, the average attendance was six. Mr. Coryell, Republican nominee for Board of Review, on invitation from the committee, attended the last two meetings.

At the second meeting a resolution was adopted requesting Supervisor Allen to open the assessment rolls of Bloomfield township and discuss with the other members of the committee, the assessments therein, with a view to equalizing the assessments within Bloomfield township. This Mr. Allen did and the assessment rolls were at the disposal of the committee at each meeting.

The committee proceeded with a thorough examination of the assessment rolls of the township outside of Birmingham, adopting a tentative percentage of valuation, and found an equalization on that basis throughout the entire township.

Your committee recommends that the supervisor and Board of Review, cooperate with it to secure a thorough equalization and arrive at a just and fair assessment of the entire township.

This report is respectfully submitted.

we would secure for Birmingham a substantial reduction in its assessed valuation and thereby reduce its state and county tax.

We further believe that the same equalization, would show a reduction in the school tax of this district. We would like to see a complete, tentative assessment of the township will not be possible at this time, because Supervisor Allen said he could not devote any more time to the work.

Prior to the holding of the annual Republican caucus, the committee unanimously endorsed Luther D. Allen for reelection as supervisor, and recommended two members of the committee for Board of Review, and ordered the same published.

The present assessment rolls of the township show that the average assessment per acre in the most highly improved section of the township, is about equal to the assessment placed on a good vacant lot in Birmingham. The committee found that this revision, if adopted, would not affect the plain farmers of the township.

Your committee recommends that the supervisor and Board of Review, cooperate with it to secure a thorough equalization and arrive at a just and fair assessment of the entire township.

This report is respectfully submitted.
