

Designed to Save The Owner Money

The Hupmobile is designed with the idea of economy for the owner first in mind.

It is true that the things which make this economy are hidden away in the motor, transmission or rear axle...

HAROLD LLOYD IN "DR. JACK" AT AUDITORIUM, MAY 14

If a comparison is to be made of the funny business of the screen for the last year, honors must go to Mr. Lloyd. "Dr. Jack" is a delicious conglomeration of everything one could hope for in a super-comedy.

Resides all this, "Dr. Jack" contains a real story—a story with a serious undertone of a girl's struggle for health. The girl is played, of course, by Mildred Davis, and she aids Lloyd charmingly in the sentimental vein of the comedy.

If you go to the high school auditorium, Monday evening, May 14, you will see this Harold Lloyd comedy which at its showing in the White House made President Harding forget the momentous cares of his office for ever an hour and enabled him to say as he came away that he felt more refreshed than he had for weeks.
