Tells Of Stay In Far-off Hawaii

Among the many travelers from our Village who have returned to Pacific just now, is Miss Mary E. Uter of Townsend street, who, at this writing, is still in Hawaii. She sailed from Los Angeles, Calif., a few weeks ago and will make a stay of three weeks in the enchanted Isles. She sailed on the Calawai.

Part of her letter follows: "It is said that this island is still in formation, not stable, it moves at least one quarter inch yearly and sways the least bit, giving one that feeling of... lingers that the unexpected may happen at any time; however, I am enjoying every moment and getting a marvelous experience."

HOME BREW RECIPE

Chase wild hulls for three miles and gather up hop; to them add 10 lbs. of malt, 10 lbs. of hops, and 10 lbs. of malt. Boil 36 hours, then strain through a I. W. W. sock to keep it from working; add one quart of water to give it a kick. Pour a little into the kitchen sink, if it takes the ammonia off it is ready for bottling.

Firemen Ask For New Motor Truck

Birmingham needs another fire truck, and the fire department is asking for a new motor truck. The Village Commission last week declared William G. Olson, chief of the department, "and we want something to take its place. It has got to be a motor truck, and it has got to be a motor truck, and it has got to be a motor truck."
