PRaise LOCAL FIREMEN
 As a volunteer fire department member of the Birmingham fire department are worthy of all praise extended. A letter from Mrs. E. Phil Hip Standard and her daughter, Miss Margaret Phillips, who took part in press out gratitude to the Birmingham fire department for their splendid work at the fire in their home recently. Everything was admirably managed with a comparatively small loss, owing to their promptness.

Safety is Most Important

There's a big difference between a hiding place and a place of safety.

Hiding places are usually easy to find, people think alike so much, and, when found, offer up their treasures without protest.

It's quite different when your valuables are in the custody of our Safe Deposit Department. No matter who knows that you have entrusted your valuables to us, no one can get at them but yourself. And this applies equally forcibly to fire and thieves.

We solicit your patronage in this as well as in the other departments of our thriving business.

Advice TO MOTOR CAR OWNERS

THE reason you own and drive—or want to own and drive a motor car is almost a method of transportation and pleasure that is in keeping with modern times. Without a car the journey of life is too narrow and limited. With a car, the very world is at your door.

There are many makes of automobiles to choose from, but there is only one reason why you should not buy a STAR—that's because you have already bought a DURANT!

W. C. Durant is the master builder in the automotive world. He has created the STAR and DURANT automobiles and people are buying them faster than they can be manufactured.

That's the reason why we ask you to place your order with us at once for delivery of a STAR or DURANT automobile. Let us give you a free demonstration of either car.

Give your Tractor a Chance

To produce all the power it was built to develop. The service it will give depends upon the kind of fuel and lubricants used.

AMERICAN CERTIFIED QUALITY KEROSENE and TRACTOR OILS

Are dependable and highly satisfactory. American Kerosene is an odorless, sootless oil that burns up completely, there is an economical fuel oil.

American Kerosene delivers power along the full length of each piston stroke, thus giving the utmost in service. American Tractor Oils when used as recommended will function under high pressure and intense heat, maintaining a film of oil between the frictional surfaces, that insures perfect lubrication. Your tractor represents a substantial investment and is deserving of a special concern as to fuel and lubrication. Use American Kerosene and Tractor Oils.

Look for the Sign of American Certified Quality
