PARTNERS IN PROSPERIT

You and Birmingham are partners in prosperity.

If Birmingham, your town, prospers, you profit,

This is simple logic. You have made this town

your home. Your interests are here. As Birmingham grows, as its business develops, in a like degree grow the benefits of the community for yourself and family,

Keep your money where your interests lie. You can your money here; spend it here. When you patronize out-of-town merchants, the money you spend will never be used towards the growth of your town.

When you spend it here, you invest it. And the investment will pay dividends in making Birmingham a better place in which to live:

The prosperity of Birmingham is assured, if you make it a point always to
