Hereafter, the regular meeting of the Women's Civic Club will be held the first and third Monday of each month. The first meeting will be next Monday at 2:30 p. m. At this meeting, the Constitution will be adopted; the Civic Division will have its first Round Table talk and lesson, and the Philanthropic Division will plan its work for the coming year. Consequently, it is a very important meeting and all members or other interested in civic questions are urged to come.

The "French Doll" will be an event of the next week, November 7 at 8 p. m. in the Baldwin High School. The entertainment is being given for the benefit of the Community House Fund, part of which was raised last spring at a Lawn Fete given at the George T. Hendrie's Estate. The amount raised at that time was not sufficient to maintain all the running expenses for this coming year, and it is this deficit that will be supplied by the proceeds of the French Doll. Also, besides the running expenses, it is hoped that sufficient will be made to provide the beginnings of an Entertainment Fund to include expenses of music, dancing, etc.

The monthly party of the Business Girls' Club was held Monday night. A picnic supper was taken out into the country, and a business meeting held at the House upon returning. Officers were elected for the following year as follows: Pres., Mary E. Walker, Vice-Pres., Mrs. M. G. Meek.

## Local Committee Has Chosen Wisely in Selecting Fine Lyceum Numbers

Good Music, Wholesome Entertainment and Lecture Features Announced.

That the local Lyceum committee has chosen wisely in its selection of the course to be given here this season, is shown by the excellent list of attractions which will be enjoyed throughout the winter. It is a well balanced course of good music, wholesome entertainment and worthwhile lecture features, and should prove tremendously popular with local Lyceum fans. The list comes from the Colt-Alber Lyceum Bureau of Cleveland, the pioneer lecture and Lyceum organization of the mid-eastern section, handling nearly a thousand Lyceum courses in the states of Ohio, Michigan, Indiana, Kentucky and West Virginia. The Colt-Alber organization, through its membership in the Affiliated Lyceum & Chautauque Association, Inc., maintains a big list of Lyceum features and the local people are to be congratulated on the excellent selections for the coming season. It is an interesting fact that the Affiliated Association covers all of the United States, Canada, Australia and New Zealand on two sides of the Pacific. Mr. Louis J. Alber of Cleveland is president of the Affiliated and also the Colt-Alber interests.

The following numbers will be enjoyed here:

Wednesday, Nov. 14, "Burns of the Mountains"; Tuesday, Nov. 20, the Percival Vivian Players in "Six Cylinder Love"; Friday, Jan. 4, the Apollo Duo; Thursday, Jan. 24, the Ward Waters Trio; Monday, March 10, Noah Behar, Entertainer.

Tickets have been placed on sale this week by the Senior Class, which has undertaken the advance sale.

**Sec.-Treas., Ethel Bassett.** Plans were formulated for a working program for the year, and the meeting adjourned.

### VILLAGE CELEBRATES A QUIET HALLOW'EEN

Hallow'een has come and gone, and was celebrated in an exceptionally quiet manner by the Village. Windows were soaped, a few chairs changed place of residence, but little else occurred.

However, the police report that two windows were broken. Boys threw a stone through a bedroom window in the home of George Pullin on Pudry street. The window in the rear of Kroger's Grocery Co. store on Pierce street was also broken. Police claim to know the identity of the boys who broke the windows, but say they will do nothing if these boys will voluntarily pay the owners for the damage done.

All mothers and fathers should see "Back Home and Back." If your son came home broke what would you do? Thomas Meighan and Lila Lee play the leading roles in this picture at the Baldwin Auditorium, Nov. 5.

### DINNER GIVEN FOR BENEFIT OF ODD FELLOWS' BAND

A chicken dinner was given at the Odd Fellows Temple Wednesday evening, the proceeds of which went to the I. O. O. F. band. Many were in attendance. Later in the evening a masquerade dance was held, at which various and unique costumes were in evidence.

## Our Anniversary Month

In the year 1908, on November second, this institution was established; and 1923 marks our fifteenth anniversary.

In these many years the First State Savings Bank of Birmingham has, with its patrons and the community, faced many conditions and problems; among them times of financial stress, of war and readjustment. Through them all it has stood firm, doing its best for its customers in trying times and good ones—just as we are doing today.

We are proud of this record. It proves the strength of organization and the sound banking policies upon which our particular service is based.

### Use Freely the Complete Banking Facilities of This Live, Progressive State Bank

Realizing that individual success is the backbone of the growth and prosperity of this institution, our Officers have evolved a Service of Helpfulness to all.

**SAFETY** is the first requisite of a satisfactory banking affiliation. There is a pleasant sense of security afforded by our established policy of responsible banking, our thoroughly modern equipment, and our operation under State Banking Laws.

**CONVENIENCE** is a feature which is vital to progress. Not only is convenience exemplified within our institution, but through our banking-by-mail department facilities are brought to the home of practically every individual.

**UNIFORM COURTESY** characterizes each transaction with this Bank, regardless of the volume of interests involved. More than this, our Officers aim for a personal acquaintance with Patrons and invite consultation on all business and financial matters.

These are just a few of the many advantages which an association with us affords. There are other ways in which it tends to profit and progress which our Officers will gladly explain.

BIRMINGHAM

MICHIGAN

THE only reason that we do not sell all the Jewelry that is sold in Michigan is merely because we have not gone after it. The fact remains, however, that our local patronage continues to increase and we are satisfied that residents of Birmingham and nearby are gradually learning that we can offer them merchandise at a price often lower than they can find in the larger cities. We suggest that you see our DIAMONDS-SILVERWARE-CUT GLASS-JEWELRY-CARDS-ETC. ONLY SEVEN WEEKS TO XMAS - Select your article, pay a small amount down, and we will hold it for you until Xmas.
