DODGE BROS. CARS ARE LONG-LIVED

FIFTH CAR MADE IS STILL IN
USE AT WALNUT COVE,
NORTH CAROLINA

Dodge Brothers motor cars are favorably known throughout the world for many important advantages but are probably best known for their ability to give satisfactory service over a long period of years for a period of life beyond that commonly allotted to a motor car. Ninety-four per cent of the cars that have

been manufactured by this company are still in operation, day in, day out, in all parts of the country.

One of the most notable examples of the long life and durability of Dodge Brothers cars is found in Car No. 12, the first Dodge Brothers car shipped to the Pacific Coast, arriving there in December, 1914. No. 12 was displayed in San Francisco and Oakland, used as a demonstrator and eventually sold. Recently it was in the possession of a rancher near Santa Rosa, who used it in his daily work. He refused to sell it outright but finally traded it in on a new car. At the present time it has been run approximately 175,000 miles.

From Walnut Cove, N. C., comes word that Car No. 3 is running satisfactorily as a service car for the Davis Repair Company. Mr. Davis writes, "The motor still has in it the original pistons and bearings that were installed at the factory nine years ago. No. 5 has been in service every day."

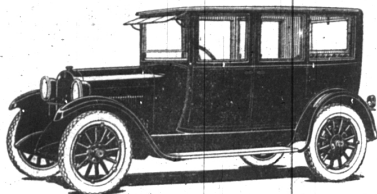

There was recently displayed in a parade in Manhattan, Kansas, a Dodge Brothers car sold in December, 1914. Its speedometer now shows a mileage of 224,000 miles and the car is in constant daily use.

Carl Schafer, of Madison, Wis., is an enthusiastic Dodge Brothers owner. Mr. Schafer purchased a used Dodge Brothers car in September, 1916. Since then he has driven, and has proofs to support his statement, over 229,000 miles. Mr. Schafer has sworn to the above facts before a notary.

Some time ago John Austermiller, Jr., and Robert Baur, two young men of Terre Haute, purchased a used Dodge Brothers touring car with which to tour Canada, Mexico and the Western States. At the time the car was purchased the speedometer registered 203,000 miles, and there were those who doubted that the car would ever reach Chicago. The boys returned a few weeks ago, after having gone even farther than they expected, having added 11,121 miles to the original 203,000 mileage. They expect to make a tour of the Eastern States next year with the same car.

Dodge Brothers records cite numerous instances, such as the above, of the durability and unusually long life of their cars.

Mrs. J. Mason, of Tacoma, Washington, is the guest of Mrs. W. B. Stewart, and Mrs. W. S. Ryan, of Ravine Road, this week. Mrs. Mason is making an extended eastern and southern trip and is visiting relatives and friends enroute.

CHRISTIAN HOME ASKS

THANKSGIVING AID

Damage to the extent of about \$200,000 was inflicted on the Christian Home Orphanage at Council Bluffs, Iowa, by floods from excessive rains and cloudbursts on the nights of September 28 and 29. Every building at this great institution was damaged, the heating, lighting and power plants rendered useless for several days, and the storehouses were flooded and thousands of dollars worth of supplies ruined. This was the worst catastrophe that has ever befallen this work, and comes as a serious blow when the institution was already struggling to free itself of debt. This institution is non-sectarian, receives orphan and destitute children from all parts of the country and is supported entirely by the voluntary contributions of charitable people. It is appealing to the public for a Thanksgiving offering to help overcome the losses by the recent floods and to meet running expenses in the daily care of two hundred and fifty inmates. Here is a good work that has been in great need of serious trouble and is now asking us for help. Let all send something at Thanksgiving and help to put the home of these little children back on its feet. Address The Christian Home Orphanage Council Bluffs, Iowa.

NEGRO ARRESTED HERE DIES IN COUNTY JAIL

Elijah Miller, 22, negro, who was arrested Oct. 29, by officer Lawler, and sentenced to serve a 30 day sentence in the county jail for train riding, died a week ago Tuesday in the county jail following a treatment for a serious blood disease.

Since Miller's removal to the County Jail he had been given two treatments which were successful. Failure to comply with the county physician's orders, and to fast as long as required before the third treatment, resulted in his death.

Miller, who was single, is the first patient who ever succumbed to the treatment in Pontiac, it is said.

STATE OF MICHIGAN—The Probate Court for the County of Oakland. At a session of said Court, held at the Probate Office in the City of Pontiac, in said County, on the 9th day of November, A. D. 1923.
