

BALDWIN HIGH STUDENTS' NOON-
DAY HAUNT IS A BUSY PLACE

The noon gong rings, followed by a babble of voices and a tramping of impatient feet. There is an orderly rush, orderly because of the sentinels on guard, and an army of hungry students invades the Baldwin high school cafeteria. Trays and silver are seized and the march begins past the counter of plenty. Mrs. Kinney, the manager, stands behind with the grey ladle and butcher knife, a formidable angel of service. The Baldwin high school cafeteria is run under the supervision of the Board of Education, and was installed for the convenience of the students and teachers. An average of about 50 are served daily, but at times, especially in stormy weather, the quota is around 115.

The menu is carefully planned so that different and well balanced meals may be served every day at very little cost. The following is one of the menus offered lately: Virginia baked ham, 15c; Spanish rice, 10c; Macaroni and cheese, 10c; Stewed peas, 6c; Stewed tomatoes, 6c; Mash potatoes, 6c. Salads:— Fruit salad, 10c; Sliced tomato, 10c; Combination, 10c; Head lettuce, 10c; Pies:—Apple, pumpkin, buttercrunch and chocolate tarts, 10c; lemon and cherry jello, 10c; Cookies, 2 for 5c; Cake, 5c; Apples, 5c; Milk, 5c; Tea, 5c; Cocoa, 5c. Bread and butter sandwiches, 3c; Ham sandwiches, 10c; Potato chips, 5c; Cheese niblets, 5c.

Two Cars Collide At
Woodward and Maple

The small sedan owned by H. Randall, Franklin road, was badly damaged Tuesday morning when struck at the corner of Maple and Woodward avenues Tuesday morning by a larger touring car driven by P. R. Swan, colored, of Flint. Officer Stokes, who witnessed the accident, claimed that Swan was driving south on Woodward Ave. at a high rate of speed, and Randall was coming north on Woodward. Randall signalled for a turn west on Maple Ave. but Swan disregarded the signal and smashed into the front of Randall's car, breaking both front wheels and bending the fenders of the sedan. Swan was arraigned before Justice of the Peace Buck, and fined \$25.00. Swan's car was not badly damaged. No one was injured.

FIRE DEPARTMENT IS
CALLED OUT TWICE

The fire department was called out Saturday to extinguish a fire in the Rogers Hotel. The source of the fire was discovered as being underneath the sheet-metal that was used as a base for a small water-heating stove in the kitchen of the hotel. The hot coils which were shaken from the stove dropped on the sheet-metal and caused a smoldering in the wood below. The smoldering was easily extinguished. No fire-damage was done. The fire department responded to a call early Tuesday morning from Bloomfield Center. The oil station at the center caught on fire and was razed in spite of the efforts of the Pontiac and Birmingham departments.

And So Bill Will
Live To Chase Cats

Because two local doctors proved themselves to be kind-hearted, and put the saving of a life before false pride, a valuable Airedale belonging to Clayton Kennedy of Ann street, will live, hobbling through life on three and a half legs. Monday morning, Bill came home with one of his front legs badly mangled, supposedly by a train or street car. Amputation was the only thing that could save his life, so the doctor was told of the case and two doctors were old of the case and save the dog's life. They amputated, taking off half the right front leg. Bill will probably wear a stump, and according to the doctors, he out again chasing squirrels and cats in two or three weeks.

BALDWIN HI BOWS
TO 22-7 DEFEAT

HIGHLAND PARK'S HEAVIER MEN KEEP LOCAL TEAM ON DEFENSIVE

On Bartism field Saturday afternoon the Birmingham high school football team went down in defeat at the hands of the heavier and much touted Highland Park eleven by a score of 22-7. Highland Park had the great advantage in that they outweighed the Birmingham boys 20 pounds to a man. But in spite of this, and the fact that Highland Park had all but two of her last-year's men back to the Baldwin team's four, Coach Van Winkle's proteges made an excellent showing.

In the first three periods, Birmingham played purely a defensive game and were unable to get within scoring distance. Some good runs were made by Shavay and Symons. The defensive work of the line against their heavier opponents was commendable.

In the third quarter, Birmingham secured the ball on Highland Park's 3 yard line by a blocked punt, with 10 seconds to play. Symons plunged through for a touchdown, and the whistle sounded. Vilet kicked goal, making the final score 22-7. The Baldwin high school team will play the Pontiac high school eleven at Pontiac tomorrow.
