# When Midnight Strikes---Who's on the Job?

HO is guarding your office desk, or shop cupboard, with its burden of the bonds you own, or mortgages, or deeds, or other valuable papers. Who is protecting the jewelry, the helpoms of other cherished possessions that are in bureau drawer, or close at home?

Robbers, and that other vandal, Fire, work fastest while folks sleep. Your home or your office may draw a visit.

Peace of mind goes along with assured safety for valuable papers and other articles, when you place them in your own hot in our Safety Deposit Vault.

And the low cost will astonish you.
