

The Good MAXWELL Club Coupe

Trouble-Free Service Makes Care-Free Owners

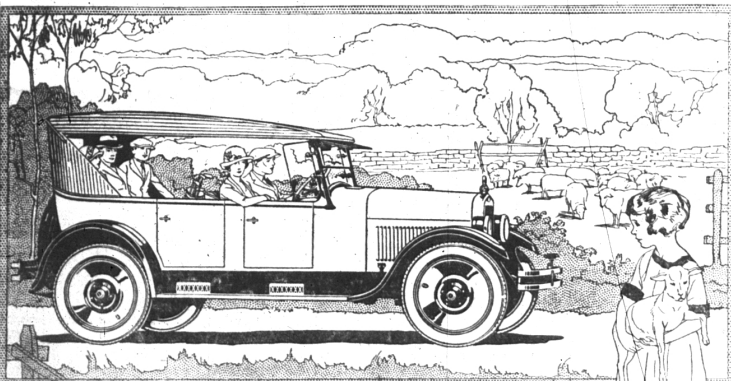

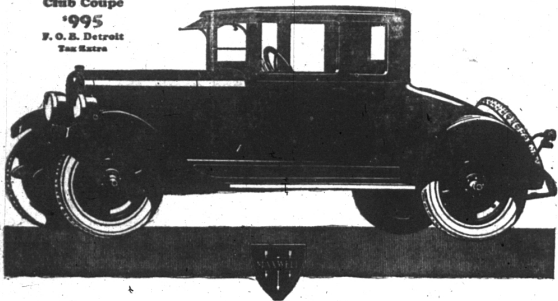

Built into the good Maxwell is the kind of quality that makes for trouble-free service the year round.

Only by using a grade of materials and workmanship usually found in cars of much higher price have Maxwell engineers succeeded in getting this service, and in eliminating the little cares and worries that sometimes beset the owner of a low-priced car.

Question a good Maxwell owner. Hear him testify to the built-in goodness that sets his mind continually at ease.

It's a Real Sport Car a Six-for \$1095

Until you see it, you cannot adequately picture the distinctive beauty nor fully appreciate the mechanical goodness of this five-passenger Sport Touring. And the gratifying fact is that both its appearance and performance—endure!

Its finish—a striking Oakland Blue—cannot fade nor check because it is an entirely new substance—Duco—which retains its original beauty indefinitely.

The Oakland engine and chassis, because of their correct design and advanced construction, are ideal for a real sport car because they assure snappy getaway, as well as sustained high speeds.

And how necessary and desirable, in a fast Sport Car such as this, are Oakland's safe and practical four-wheel brakes—and its large steering wheel on which are mounted the driving controls.

Then, too, it has a Fisher body with Spanish Leather upholstery, permanent top, bumpers, motometer, windshield wings, visor, disc wheels—everything that insures completeness and full value.

There is genuine satisfaction in owning a car as distinctive and able as this. Be sure to drive it before you buy any car this spring.

The True

Blue Six

Eco City News

"Loyal Ladies"
The Loyal Ladies is the name which has been adopted by the women's organization in the Bennaville avenue Congregational church. The election of officers for the club occurred yesterday at an all-day meeting in the chapel. Besides the annual business meeting the day was spent in sewing. A pot luck lunch was served at noon in charge of Mrs. Guy Laughlin.

To Lay Sidewalks

At the semi-monthly meeting of the Civic Association last Friday evening arrangements were completed for laying the remainder of the sidewalks in Eco. It was decided that the walks shall be four feet in width and four inches deep, and the work will begin immediately upon the signing of the contract, which was set for some time this week. A committee was appointed to meet with city officials, when a request will be presented to them for street lights in the section of Eco lying south of Cummings avenue. This includes the highly restricted section of Eco and no provision has been made for lights in that section.

"Candy Pull"

A "candy pull" with a combined sale of "hot dogs" and home-made doughnuts will form the main scheme of entertainment when the Loyal Ladies of Bennaville avenue church convene next Tuesday. A general invitation is issued to all Ecoites to be present at the gathering.

Free Movie

This evening, Leinbach-Humphrey Company will give a free movie in the Community Chapel with a musical program. This is the first of a series of such entertainments to be given semi-monthly in the chapel for Eco people.

Old-Fashioned Doings

Old-fashioned costumes, old-fashioned games and old-fashioned dances will be the features of a party to be given this evening at the Woodward Inn. The music is to be furnished by a radio which will be installed in the Inn by R. Burke of Bird avenue. Besides the hosts, Mr. and Mrs. O. S. Baker, Mr. and Mrs. M. C. Miller, Mr. and Mrs. C. W. Beers, Mr. and Mrs. G. McLaughlin, Mr. and Mrs. B. J. Beebe, Mr. and Mrs. R. Burke, there will be twenty Detroit couples as guests. The party will be entertained by Mr. and Mrs. G. Laughlin at a pot-luck supper at their home on Bird avenue following the party at the Inn.

Birthday Party

Mr. and Mrs. Paul Wyford, Mr. and Mrs. Frank Ziolkowski, Mr. and

Mrs. Walter Pearce were the dinner guests Wednesday evening of Mr. and Mrs. S. Lottfield at their home on Humphrey avenue. The guests were surprised when the small son of Mrs. Lottfield announced before dinner, "Mama has the prettiest birthday cake but it isn't on the table yet." The "prettiest birthday cake" later appeared to form the centerpiece for the dinner table and was decorated with twenty-six lighted candles. The guests later presented their hosts with a basket of spring flowers.

Mr. and Mrs. R. J. Bruce leave today for Arma, with Mrs. Alfred Bruce, who has been their house guest for ten days. They will be the guests of Mrs. Bruce at her home in Arma for a week.

At her home on Smith avenue, Mrs. Charles Beers has been confined to her bed for two weeks with a combination of spring ailments.

As weekend guests, Mr. and Mrs. M. C. Miller entertained Mr. and Mrs. Joseph M. Reynolds of Detroit at their home on Smith avenue, the guests returning Sunday evening.

Walter Pearce of Humphrey avenue is showing great improvement in the Pontiac City Hospital where he underwent an operation last Monday. It is expected he will be able to return to his home the end of next week.

Don Ziolkowski returned to his home in Menasha, Wis., Monday after spending a week with a brother, Frank Ziolkowski, and his family on Ruffner avenue.

During the muddy days in Eco, Steve White, an Eco grocer, has arranged a novel way of serving the people. With order pad and pencil Mr. White starts out and takes the orders from door to door and later in the day with loaded baskets he returns with the ordered goods. The two small children of Mr. White are developing a portion of their father's business enterprise also. Each Friday morning the two children with an arm load of Ecoites enter their arms set the papers through Eco quite in the fashion of a real city.

Mr. and Mrs. William Luth, accompanied by Mr. and Mrs. Noble Hedding, motored to Clarkston Saturday where they were weekend guests of Mr. and Mrs. Ernest Luth. The party returned Sunday evening to the home of William Luth on Humphrey avenue, where they were entertained at dinner.

Mrs. H. W. Potts is expected to return to her home on Humphrey avenue this week, after spending the winter in Detroit with a daughter.

Mrs. James Cooley of Humphrey avenue is recovering and able to be about after a serious illness of about two weeks.

Four new books have been added to the Baldwin Public Library during the past week. "Hand Unseen" by Herman London, which is mentioned in the book notice as a "new gray phantom detective story"; "High Five" by Marjorie Beatty McLaughlin; "Siege" by Samuel Hopkins Adams, and "Ku Klux Klan" by John Moffatt Meekin, professor of sociology, Dartmouth College. The advertisement of this last book announces, "this reliable, brief and yet almost sensational account of the history, causes, extent, and appeal of the 'Invisible Empire' has its chief significance, perhaps, as a study of the American mind. It is based on a year's special investigation."

REPORT OF THE CONDITION OF THE FIRST STATE SAVINGS BANK

Only Packard can build a Packard

Some Packard Facts Which Are Known Wherever Fine Cars Are Appreciated

MATERIALS 100%
Nothing can be better or finer than in the Packard. We submit Packard materials to comparison with any motor car on earth. Packard has only one standard—the best that money can buy and experience can select.

DESIGN 100%
For years Packard has set the pace in motor car development. The beauty and distinctiveness of Packard are traditional. There is, in Packard, an inherent exclusiveness that no duplication of mere dimension can ever equal.

WORKMANSHIP 100%
For 24 years Packard has had but one policy—to build as finely as human skill and the best machinery can build. It is recognized by engineers, manufacturers and laymen alike that Packard leads in fine manufacturing.
