Easter Greetings

At this time of the year when all Nature takes on new form ad more resplendent garb—when she begins lift anew, it is fitting that we turn our thoughts to the betterment of both our spiritual and physical velfare.

Unlike Nature we cannot again return to the Springtime of life. But, like Naure, we can during the Springtime of life prepare for the Far and Winter that is to follow.

Are you preparing—are you laying aside something for your Winter?

A Savings Account the finest thing in the world to lean on in later life. Start it ow while your earning capacity is greatest. Make up your pind that you will be independent in later years. Putting asid a certain amount each week is the very foundation of all sudess.

This Bank offers yo its complete service—rounded out by years of experience ad will be glad to offer suggestions as to the proper plan for you to pursue in establishing a competence for later years.

We are spending considerable money is proving quality and service of our products.

We now have an investment for Birmingham amounting to \$81,000, on which we pay the Village \$800,00 yearly in taxes. We also give employment to 15 men who receive approximately \$26,000 per year in wages.

Taking these facts into consideration, are we not justified in asking for year valued patronage.

WE SERVE YOU 12 MONTHS IN THE YEAR
