is way ahead of "the Good Old Days"

Do you ike to think of "the good old

often we think of those days everything was.

re will you find a product everyday life that is BETTER today ESS than it did thirty years ago?

GAS SRVICE!

Did you know that before? The Gas I July 90 Know that belore? The Gas that cooks our meals, gives you heat and does so many other sight things is cheaper today than thirty years ago, and yet, thirty years ago—coal/from which of Gas is mation only % of today price; jabor was cheap, and the co of running the mains over the many miles of streets as bringing this Service direct to you was much less then. It Gas cost hearly 3 times as much as it does today.

Today-you get better Gas, with more heat valu and at your linger-tips every hour of the day as night-for about % the cost.

For all he help, comfort and convenience you enjoy Good Gas Service is one of the cheapest necessition of the cheapest
