### The Chew to Choose

**YEARS** of experience have shown you that BEECH-NUT Chewing Tobacco never stoops to conquer.

We don't use factory shash. We don't buy up cigar and pipe scrap. We don't pack dust and sweepings and stems. We don't cheapen BEECH-NUT Chewing Tobacco with indiscriminately purchased crops or bulk it by mixing in bitter, rancid, thick ground leaves.

BEECH-NUT is always a clean, pure, product, especially cut to just the right size and prepared through to sealing without one touch of hum an hands.

That's why it's still the biggest selling brand in the world. The truest friend 10c. ever had.

### BASEBALL GAMES

The Franklin baseball nine have a game scheduled for Sunday with Royal Oak there. This will be the second of a series of three. Last Sunday Franklin beat Royal Oak 5-2. The game starts at 2:00 p. m.

The Birmingham baseball nine lost 8-2 to the Berk Shamrocks of Detroit at their dedication game Sunday, July 27, on their new field. Last Thursday night, however, the local team redeemed itself by giving the Royal Oak a trimming. The enemy team scored only once due to falling darkness which caused the outfielders to miss the ball.

Sunday, August 3, the Birmingham nine won a close game from Clarkston in the ninth inning. The final score stands 7 in favor of the home team. Stark, Cowen, Curran and McCulloch did star work in the game.

Sunday, August 10, Birmingham is matched against Rochester, on the home field, on their new Maple avenue. Stark and Curran are the playing battery for the local nine.

#### FAITH IN GOD

By Rev. D. H. Curry, Bannaville Ave. Congregational Church. (Luke 23:28-32)

He made us though He would have gone further. But they come for it is toward evening and the day is now far spent. And He went in to the temple.

It was the afternoon of the resurrection. Two of Jesus' disciples were slowly winding their way from Jerusalem to their home at Emmaus. They had settled upon their hearts uneven path homeward. Disappointment was written upon their countenances for their expectation and reference to the coming Messiah had been rudely shattered. Jesus devious hands. True, a gloom that pervaded their hearts, there was a faint gleam of brightness, almost hope for the story of His resurrection had been told. But this story seemed incredible to them, for none other who had been crucified had ever risen again. Yet, even now it was charged that the story of Jesus' resurrection was false.

The soldiers were telling their version. It seemed as incredible as the fact that the disciples and so the minds of these two were torn with conflicting emotions and doubts. Suddenly and silently another joins them as they walk and are sad. He begins to talk with them. They open their hearts to Him. What a blessing will come into your life and illumine if we are ever as ready to open our hearts to Jesus as they were. He ever sees into our hearts whether we will or no but to receive the blessing of His presence, we must give the mastery to Him as they did open their hearts to Him. What a blessing will come into your life and illumine if we are ever as ready to open our hearts to Jesus as they were. He ever sees into our hearts whether we will or no but to receive the blessing of His presence, we must give the mastery to Him as they did open their hearts to Him.

wardly manifested. The opportunity is passed and we fail to render a service to one of earth's needy ones. A service that might have brought them to the place where they would have found mercy as they looked in the eyes of a child, and out of that look a soul would have joined the number of those who are to bring to the Lamb that was slain, the reward of His sufferings.

Yes, that neglect will be their undoing. That's not all for another loss may be yours. You failed to strengthen the bond that binds you to Christ. You have forgotten the hour when "The Shepherd of our peace was upon Him," and when, "with His stripes we were healed." For, "All we like sheep have gone astray." We have turned every one to his own way, and the Lord hath laid on Him, the iniquity of us all." Yes, for your iniquity of us all. Yes, for your own sakes, speak the tender, loving, sympathetic word that shall help and bring us to the place where we need a savior.

Let us restate our principle, "Giving expression to a kindly impulse enables the character of the one in whose heart it generated."

Let us test it out in the hour when blessings have been received. Such was the case in the lives of these two men. Jesus had cheered and lightened their hearts by His visit as they neared their home. Now they come to the place of their abode. Tired and weary they have to bear a long walk of 7 miles from Jerusalem. But here is one who had comforted them. As they thought that Jesus would journey, they thought that Jesus would journey, they thought that Jesus would journey, they thought that Jesus would journey.

# Red Crown

The High-Grade Gasoline

## Is the Business Gasoline

MANY motorists have put Red Crown in the tanks of their coupes, limousines, touring or other passenger cars, after having proved in their trucks that for service and economy, Red Crown is the business gasoline.

One of the large packing houses writes

"We find that Red Crown Gasoline gives entire satisfaction in our large fleet of motor trucks—starting easily, accelerating rapidly, and giving excellent mileage.

"In our business every truck must run on time. Dependability is essential in order that exacting schedules may be maintained in the distribution of perishable products.

"Included in our fleet are trucks of various makes and sizes, from 1-ton delivery cars to 15-ton tractor trailers, and they operate efficiently on Red Crown Gasoline."

Summer tourists will find Red Crown everywhere in ten Middle Western States, and everywhere the same. By using Red Crown, they will get more and better mileage; uniformity in quality, thoroughly dependable operation with consequent avoidance of the irritation and delay occasioned by constant carburetor adjustments.

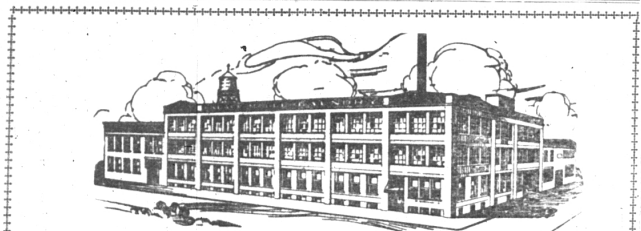

Use Red Crown and enjoy a banner mileage summer.
