402 BILLIONS

Did YOU Help Make 1923 Checks Reach This Figure?

CHECKS drawn on American banks last year reached a total of \$402.553.486,888, a gain of 5 per cent. over 1922. In December alone the checks exchanged amounted to nearly \$356,000,000,000, an increase of 4.1 per cent. over the same month in 1922.

Picture the tremendous bandicap if cash had been used in the millions of transactions represented. What chances for loss, for theft, for errors—all completely barred by use of checks!

If you do not yet have a checking account, can you afford longer to be without one?

We will welcome your account here. You will find at this strong progressive Institution every conveni-ence for transacting banking business.
