Money Doesn't Wear Out---So Keep It Working Hard!

THAT unexpected payment of \$500.00, that \$200.00 just received from a delayed estate state work right away, carring for you. For money not earning for the owner is not being used 100% efficiently.

Certificates of Deposit were designed for just such cases as these—where money will not be needed for perhaps six months of longer, and where it is desirable to invest it in a short-time security at a good rate of interest.

DON'T LEAVE YOUR MONEY IDLE!
