Value of an Insurance Savings Account in First National Bank

SOME months ago, a young girl chatting with some acquaintances on the edge of the pavement in Bloomfield Hill, stepped out of the way of an approaching automobile directly in the path of a trolley car and was instantly killed. Unfortunately in one sense, she was very fortunate in having a Bankers' Insured Savings Account, and her indigent mother was promptly paid \$1,000.00 of the First National Bank of Birmingham where she had a savings account amounting to a few dollars. Insured wife, children or otherwise moneyless survivors and the best item of insurance costs almost nothing.

The admirable protection afforded you by the Bankers' Insured Savings account comes to you immediately after you have received your insurance certificate. You may have as little as only \$7.50 on deposit and yet, should you die, this bank will pay \$1,000.00 in cash to your appointee. If you continue to make the regular deposits—this bank will pay the amount you intended to save—\$1,000.00 in cash to YOU.

Let the First National Bank Be Your Safe Harbor in Stormy Times of Death or Disaster Should you die, this bank will pay to your wife, child or children, regardless of how small a sum you have in our bank, \$500.00, \$1,000.00 or \$2,000.00 IN CASH.

We forgot to mention that one day last week while fishing at Long Lake, John Stabler, Cal Eilwood and George Warner caught the nicest string of fish we have seen yet. They had caught pickerel that weighed 25 pounds. Miss Bessie Brown and little sister of Greer City spent Saturday with M. Hagerman and family. On the Bulletin Board in front of Library Hall is posted the following: Burrows and Smith not in it. Mrs. S. T. Boyd has a postal card written by her brother who holds back here, Friday evening. On Saturday night last at North Montgomery was coming to the village, his horse suddenly shied out of the road and upset the buggy, throwing the occupants and making a total wreck of the vehicle. The injuries were not slight to all concerned. If hands! Thurston Barr and Charlie Tharrett, two gentlemanly young men of Troy, are attending school here. After visiting several prominent schools they selected the Birmingham Union School under Prof. Clabe as the best and we endorse their selection. 25 Years Ago. (Can you imagine this?)
