The 1924 Model Studebaker Light-Six Sedan \$1485 f.o.b. factory

The 1924 Model Studebaker Light-Six closed cars are quality cars.

They are built to endure—to give lasting satisfaction.

Both body and chassis are produced in Studebaker plants where painstaking craftsmanship has always been the rule—and the practice.

By manufacturing complete motors, transmissions, axles, frames, bodies, tops, castings, forgings, and stampings, parts-makers' profits are eliminated from costs, and one profit only is included in Studebaker prices.
