SHOE SERVICE AND SHOE DOLLARS

Try on a pair of "Trade-Builders" if you want to get away from the high-price habit. You'll gain more comfort and wear as though you paid the difference-plus the satisfaction of a substantial saving.

Housework Without Labor

THE exhausting labor of the home is a thing of our grandmothers. The home of today is an electrical home. Its fleavy tasks are done easily, quickly and cheaply by electricity.

The Electric Washer frees the housewife from the backtring, washboard; the Electric Ironer cuts out half the time and labor of the old way; the Electric Dish-washer cleans, dries and times the dishes in five minutes; the Electric Vacuum Cleaner keeps the house near and clean with slight effort.

Come in today and look at those comfort-prod-ducing appliances.
