Baldwin Theatre to Present
Big Feature Next Week
A film version of Robert W. Service's immortal poem, "The Shooting of Dan McGrew," will be the feature film attraction at the popular Baldwin theatre starting next Monday, September 8. There is no other film seen, young or old, who has not heard this piece recited at some time or other, or perhaps know the number of themselves, and it is safe to say that everyone will want to see the dramatic case was selected to tell the story and includes May Busch, Lew Cody, Barbara La Marr, Percy Marmont and others of equal note in film circles. The Pathe News and an exceptional bill of five stellar vaudeville acts will complete the program. Two full shows will be given nightly, the first starting at 6:45 and the second at 9:00 o'clock.

For the last three days of the week the William DeMille feature, "The Bedroom Window," mystery dramas, with an all-star cast will be the attraction. The Pathe News and Aesop's Fables will complete the picture bill, which will be supplemented by a program of five standard vaudeville acts. Saturday matinee for children at 2:30.

Kenneth McDonald in "Dynamite Dan" and a selected bill of five vaudeville acts will comprise the Sunday program to be presented September 7.

Matt Moore and Nita Naldi featured in "The Breaking Point," a Paramount picture, and the regular bill of vaudeville will be seen for the final times tonight and tomorrow with a special matinee for the kiddies on Saturday at 2:30.

Much interest is being aroused by the announcement of the coming of "The Covered Wagon," the super-feature which is to be shown at the Baldwin in the near future.

At Orchestra Hall
The consolidation of two big minstrel shows into one composite which is no easy task of achievement. Usually, in course of disintegration the personnel and composition of such an enterprise invariably suffers. However, no such thing has happened in the case of the Gas Hill and George Evans Honey Boy Minstrels which will be the attraction at Orchestra Hall for one week starting with a matinee Sunday, September 7, with other matinees Wednesday and Saturday. This madcap amalgamation of burnt cork entertainment is the sensation of the show world, as testified by the unprecedented success which has greeted the aggregation since its inception. Early this season while clinging to the traditions of minstrelsy, the offering entertains on new and original lines.

"Lost In Transit"
At her home on Smith avenue Mrs. Donald Layzell had as her guests over Labor Day and the week end Mrs. Helmer Olsen of Detroit, Mr. and Mrs. Olsen, who recently moved to Detroit from Canada, were students at the University of Michigan where they lived until a short time after the war. Mrs. Olsen, who came out a half-day before her husband, became what might be called "lost in transit." The conductor on the Pontiac-Gerardian failed to call her stop and, as she had never made the trip before and did not recognize the station, she was carried on to Pontiac. There she discovered to her dismay that she was at the end of the line and had forgotten the address. After a half-day spent hunting up subdivisions, as a last resort Mrs. Olsen turned her case over to a taxi driver who finally located Eco City for the then nearly frantic woman after a two-hour hunt.

Mrs. Deway M. Kessler and Mrs. E. Botterell, both of Bennaville avenue, were hostesses last Saturday afternoon at a picnic at Pine Lake for their children and their friends. The party motored to the lake about noon where they had a picnic lunch on the beach. Swimming and water games in the afternoon completed a successful day.

Another newly-arrived family are Mr. and Mrs. David Potts of Detroit who have purchased a new home in Chapin avenue and moved in last week. Mr. and Mrs. Potts are the parents of H. W. Potts, who, with his family, has made his home on Humphrey avenue for the past several years.

After a short trip to Buffalo, Niagara Falls and the Toronto Exhibition, Miss Grace Potts of Chicago arrived last Friday to spend two weeks with her mother, Mrs. J. Potts of Humphrey avenue. Mrs. Potts also has as her house-guest her sister, Mrs. Mary Patrick of London, Ontario. On Labor Day Mrs. Potts took her guests to the state fair.

This afternoon and evening Mr. and Mrs. Leonard Miller of Detroit returned to their home on Mr. and Mrs. Louis Fredericks on Humphrey avenue to be the guests of the latter for the week end. Mr. and Mrs. Fredericks expect to take their guests to some lake nearby for fishing Sunday.

The new home of Mr. and Mrs. A. Hinton on Smith avenue was completed last week and Monday of this week the family moved from their home on Bennaville avenue into the new home.

Mr. and Mrs. M. C. Miller of Smith avenue returned Sunday from a motor trip through New York state where they spent about a month. On their trip they spent some time in Utica, with Mr. Miller's mother.

Use Red Crown

The High-Grade Gasoline For Perfect Motor Response

The willing start, the leap ahead, the noiseless regularity of the piston stroke, the steady purr of a satisfied engine—all these lie in Red Crown, the BETTER motor fuel.

The finer shades of Red Crown performance are due to its perfect chain of boiling point fractions. Red Crown begins to vaporize at a very low temperature, with consequent prompt and easy starting, summer or winter. Red Crown vaporizes steadily throughout the entire stroke of the piston, thus yielding smooth and rapid acceleration and maximum mileage.

Red Crown service lies in this wide flexibility. It is an ideal fuel—it not only moves the car, but it gives the driver a sense of perfect control—a thrill of power—an exhilaration due to instant and eager response.

Red Crown service represents the ideals of the Standard Oil Company (Indiana) carried into performance. It yields more power—greater economy—more mileage—manifesting in all these the aim of the Company to provide a better motor fuel.

It is available everywhere—and everywhere the same—to the man who buys 1 gallon or 1,000 gallons.
