Makes 10C Swell with Pride BEECH-NUT CHEWERS don't switch. The next batch of BEECH-NUT Chewing Tobacco will be like the last—the same quality and quantity of pure, sweet, waxy tobacco—the same bully flavor—the same super money's worth. Lorillard's have been making chewing tobacco for over a century—upholding standards and following blending recipes that still give their products the widest sale in the world. No pipe scrap and factory hash in BEECH-NUT. Never cheapened and bulked by rancid, bitter ground leaves, disguised with heavy flavorings. The same quality and the same weight in 1924 as in 1915, despite increased taxes, overhead, wages and tobacco prices! 10c swells its chest every time it buys a package. Is it any wonder that over 250 million packages are sold in a single year?
