"SINKING BRIDGE" IS BEING REPLACED HERE

Fred Haack, township highway commissioner, is now engaged in filling in the depression on the Lasher road, between Quarton and Lone Pine roads, previously spanned by the old "sinking bridge." This bridge, floated on a scow, was incapable of handling traffic over the road. Broken concrete from present operations on Woodward avenue is being used to fill in the gap; muck 46 feet deep was at the bottom of the water which floated the old "sinking bridge." The new fill will be completed in about a month, and the road opened to traffic.

CONTEST STILL OPEN

Quite a few names were received during the past week at the Eccentric office for the piece of village-owned land on Southfield avenue, near Lincoln. The Eccentric will pay five dollars to the man or woman, boy or girl, resident of Birmingham, whose suggestion for a name is accepted by the committee. The contest will close September 15.

SECRETARY OF AGRICULTURE SPONSORS MICHIGAN EFFORT FOR LEGION ORPHANS' FUND

Washington, D. C., Aug. 6. (Special.)—Sponsoring the effort to establish a $5,000,000 American Legion endowment fund for disabled veterans and orphans, the work of raising Michigan's share now being under way, Secretary of Agriculture W. M. Jardine today accepted membership on the national honorary committee of the fund.

In a letter to National Commander James A. Drain, the Secretary of Agriculture says:

"I am happy to accept your invitation to membership on the National Honorary Committee of the American Legion Endowment Fund. No one can fail to value highly the sound, practical step which The American Legion has taken in establishing this fund. It should appeal to Americans everywhere as a practical demonstration of patriotic zeal applied to a great educational purpose. Your program is logical, progressive and humane. I feel confident that it will receive the wholehearted support of the public."

The other members of the president's cabinet have accepted places on the national honorary committee, of which Truman H. Newberry is chairman, and associated with them are the highest officers of the army, navy and marine corps, besides the leading figures in nearly every walk in life.
