"On To Washington On A Hot Dog" Is the Yell

"On to Washington on a hot dog" "Help the Seniors go to Washington!" The Senior Washington Group of the '26 is operating "The Ark" on Woodward avenue between the Rogers Hotel and the Baldwin Public Library building.

Several weeks ago the Washington Group was given permission to operate a hot dog stand on this site. After securing an old delivery wagon, some paint and lumber, some of the members rejuvenated the wagon and bought a few supplies to start the stand.

The first business that they did was near the tent where "Uncle Tom's Cabin," was shown on Tuesday, August 4. Their profits were not very great that evening, but the next evening, Wednesday, August 5, they began to operate on their regular stand.

"The Ark" will be open every evening until the opening of school. It will also be open on Saturday afternoons. After school opens in September, the Group will take their "Ark" to the football games here and other games that are nearby.

This Group grew from the "XYZ Club" which was started by some Sophomores in 1923. Last year they invited anyone who wished to go to Washington with them to join the Group. The name was then changed to the Senior Washington Group.

Frances Giles is president of the group, and Zella Gill is the secretary. Mr. W. S. Toothacker was chosen as their treasurer and advisor.
