and only one way to make sure of having plenty on hand: own a Maytag Gyrafoam Washer and wash them as they soil.

In 3 minutes, a dozen or more *snow-white* pieces: a heaping armful *immaculate* in less than 10 minutes!

From coast to coast, housewives are agog about this wonder washer and its amazing new principle snatched from the future—a washing method, twice as fast and twice as careful—that does 50 lbs. of dry clothes right from the hamper, within the hour—and never leaves the wristbands, collars or cuffs to be rubbed by hand. Just read the features!

Try the Maytag. Wash with it tomorrow—or any day you wish. We'll bring it to your home—call for it too, if you'll want to part with it. No obligation. Don't delay phoning.
