Build An "All-Crete" Home

The Strom All-Crete System is a new method of constructing buildings of concrete.

The result is that a house can be built with fireproof concrete walls as cheaply as a frame house.

Several homes of this type have already been completed in Pontiac and vicinity.

If you are planning on building a home in the near future, send coupon for complete information regarding the Strom All-Crete System.

A BEGGARLY TOPIC
The number of imposters infesting our town is something terrific.

No long ago a male stalked through town, with no regard whatever for shrubbery or grass.

by everybody-

and only one way to make sure of having plenty on hand...

In 3 minutes, a dozen or more snow-white pieces...

From coast to coast, housewives are agog about this wonder-washer...

Try the Maytag. Wash with it tomorrow-or any day you wish.
