Prof. King of East Lansing Made Address Before Exchange Club Tuesday IS GUEST OF K. BINGHAM State Educator Laments Lack of Real 'Self-Expression' in World Today

Men and women, boys and girls need to develop the art of self-expression if civilization is to catch up to its 'million years behind the times'...

People On Wrong Track 'Self-expression is the ability to bring out the human animal's latent capacity that lies within a quality that may be found in inanimate as well as animate things'...

'Can't Even Run a City' 'The value for two thousand years,' continued Prof. King. 'It is the scientific and material, but not the intellectual, spiritual or moral...'
