Red Crown—A Premium Gasoline at a standard price glides up the grade of popular favor with great ease.

Thousands of motorists have recognized the force of the "price per mile" argument and switched over to Red

The price per gallon contention is weak-kneed-has no bearing.

The story is told better by what is built in the gasoline.

Of what significance is the question of a saving of a few cents on an investment of hundreds of dollars?

If you pay less for your gasoline than the price of Red Crown, you are getting less-and that is false economy raised to the nth power, no matter how it is disguised.
