

There'll be Only you and the Maytag

WE WANT to loan you this washer tomorrow, next day, or any time you wish. Wash with it—yourself. That's all there is to a MAYTAG demonstration. No obligation to buy, no coercion, no persuasion, no demonstrating tricks. The MAYTAG must sell itself—must prove its unmatched excellence—to you.

And further, we urge you to make this practical prepurchase test side by side with any other washer that you believe to be as good. No other method is quite so convincing, quite so determining. It is by this common-sense, self-plan that the world leadership of the Gyroform is maintained.

Telephone us your name and address and we will bring a MAYTAG right to your home—where you may wash with it—alone.

M. S. C. Radio School Starts In November

East Lansing, Oct. 29.—A new radio school, or so-called "school of air" will be sent out over station WKAR, beginning November 2, according to announcement made there this week by extension authorities at the Michigan State College.

Success of a ten-week school broadcast from the college last spring is said to have led to decision to expand the educational radio series. Two separate schools have been announced for this winter. One will run from Nov. 2 until Dec. 18; while the second will start early in January, running until early April.

The fall courses will include a wide variety of subject matter, eleven different departments of the state college contributing definite courses of study. These will include: History, literature, geology, botany, marketing, entomology, forestry, soils, agricultural engineering, and zoology.

The school will be held from 7:15 until 8:00 o'clock (eastern time) from Monday through Friday, inclusive, each week. Each department is to have definite lecture periods during the schedule.

The college station WKAR, is operating on its old wave length of 295 metres this year but is now listed as a 1,000 watt station, making it one of the super-power stations of the country.

After the first of January, a 12 weeks school of special interest to farmers will be broadcast. Detailed programs for this school will depend largely on requests received from listeners, it is said.

Smart Styles for Young Men

Young men want shoes that are correct—that is the reason they prefer Raistons. The man who wears Raistons has complete confidence that his shoes are a little differently styled—a little better styled—than the other fellows. If you want to know that your shoes are right—wear Raistons.

VAUDEVILLE AT B. F. KEITH'S TEMPLE THEATRE

Joe Smith and Charles Dale, with the Avon Comedy Four, headline the bill at B. F. Keith's Temple Theatre starting Sunday afternoon. The Avon Comedy Four is one of the most popular hill-toppers in vaudeville. Smith and Dale adhere rigidly to their own type of fun, but have surrounded themselves with an array of melodists including Cooper Lawley, Trina, Joan Holt and Wallace Eames and their offering in entitled, "From the Battery to the Bronx," the second feature is Mlle. Marguerite and Frank Gill, direct from the Paris boulevards and their vehicle is entitled "Smart Songs, Steps and Stiles." Last season they were dance stars with the "Music Box Revue." Edith Clifford, a comedienne pleasing to the eye and ear assisted by Mabel Leonard, pianist; Lytel and Hunt, "Two Chocolate Cake Eaters," Jack Princeton and John F. Conroy called "Too Late"; Goudini and Bernard, ultra acrobats; Sogel and Irving in feats of grace and strength; Madie Du Fresnois and Evans Brothers offer "Dancers from Cleveland," a Hal Roach comedy featuring Clyde Cook entitled, "Should Sailors Marry," and the usual screen program.

Local Committee Has Chosen Wisely in Selecting Fine Lyceum Numbers

Good Music, Wholesome Entertainment and Lecture Features Announced.

That the local Lyceum committee has chosen wisely in its selection of the course to be given here this season is shown by the excellent list of attractions which will be enjoyed throughout the winter. It is a well balanced course of good music, wholesome entertaining and worthwhile lecture features and should prove tremendously popular with local Lyceum fans. The list comes from the Colt-Alber Lyceum Bureau of Cleveland, the pioneer lecture and Lyceum organization of the mid-western section, handling nearly a thousand Lyceum courses in the states of Ohio, Michigan, Indiana, Kentucky and West Virginia. The Colt-Alber organization, through its membership in the Affiliated Lyceum & Chautauque Association, Inc., maintains a big list of selections for the coming season. It is an interesting fact that the Affiliated Association covers all of the United States, Canada, Australia and New Zealand and carries the message of Lyceum into more than 5,000 communities on two sides of the Pacific. Mr. Lauck J. Aller of Cleveland is president of the Affiliated and also the Colt-Alber interest.

The following numbers will be enjoyed here:
