a Famous Six—Built on Hudson Patents

\$795 for the Coach

Quality Gave Volume—Volume Gave This Amazing Price

Everyone knows the superiority of six cylinders.

Those who know are not content with less than Super-Six performance. It increases power, smoothness, flexibility and car life without adding to weight or motor size. Its principle is patented and exclusive to Hudson and Essex. It accounts for the world's largest selling sixes.

In Essex the cost is within the price of practically all car buyers. Super-Six advantages and Hudson Essex quality give vast volume, and volume makes possible the lowest prices in history.

There is a big saving in Essex cost, a greater economy in operation, and a finer satisfaction from the ease and comfort of riding and driving. Everywhere it is regarded with Hudson as the

Why Gum-Dipping is so Important to Car Owners

GUM-DIPPING—the Firestone extra process builds into tires extra quality by impregnating and insulating every fiber of every cord with rubber.

This exclusive method is carried out in special Gum-Dipping plants, after which the cords are put through the usual calendaring process.

By this method, added strength and flexibility are imparted to the cords, making Gum-Dipped Balloons most serviceable and enduring over rough roads.

WOMAN'S CIVIC LEAGUE PREPARING FOR YEAR

In preparation of an unusually active year the executive board of the Woman's Civic League met last week and mapped out a tentative program for the club's work this season. Tuesday, October 13, has been set as the first date for the regular meeting, and the dates for the following meetings will fall on every second Tuesday dating from that meeting.

Mrs. L. V. Hewitt, Mrs. R. B. McCutcheon, Mrs. V. J. Snyder, Mrs. O. F. Feier and Mrs. J. L. White are the members of the executive board. At the first meeting they plan to present a schedule of study to the league that will familiarize the members with "courts and elections." This will be accomplished by means of the round table, the leaders of the round tables to be appointed at the first meeting. Names of several interesting speakers have also been accepted by the board for consideration. They will be asked to talk from time to time during the season.

The first meeting will be in the form of a tea for the old officers who are retiring and for the new women who are taking office. The tea will also serve to introduce the many new members expected to affiliate with the club for study this winter.
