One of the Greatest Values in **Electric Washer History** 

# Western Electric **CLOTHES WASHER**

This means a saving of \$45.25 over the regular price. By special arrangement with the Western Electric Co., we have been able to secure a limited number of these famous Western Electric Washers at this tremendous saving.

We believe this to be the greatest value in a first quality, high-grade washing machine ever offered in this vicinity. All are brand-new machines, with all the latest improvements and convenhences, built with the engineering skill and perfection that has made the name "Western Electric" the national household word for quality in home appliances. Call immediately for a special home demonstration—Birmingham 223—or come in and see them.

#### \$4.75 NOW

This new model is exceptionally simple in construction, attractive in appearance, light in weight, easy to operate.

With this new type nozzle a 14-inch path is cleaned! There are grooves cut all around it. Those in front separate the nap geefly and stir up the dirt. Those behind smooth the nap over again.

Dust can't resist it.
