Reminiscent of Old Colonial Days

This design, in modern construction methods, is very popular. Simplicity is the chief keynote and yet the outlines of this substantial home are in no way common-place. Its quaintness lends itself most, ad-mirably to artistic decorative treatment.

A Wide Variety of Designs

A Wide Variety of Designs
shown in our New Book of Home Plans, among
which are Colonials, Bungalows, Cottages and
two-family homes, with floor plans supplementing
each illustration. A copy of this beautiful book is
yours for the asking. We are sure you will find it
a big help in making a choice of designs for your
new home.

We shall be pleased to quote you the complete
cost of any home shown in this book of plans,
without placing you under any obligation to purchase.—Blike prints and detailed construction drawings for any of these designs are furnished free of
charge if the building materials are purchased from
our lumber yard. Drop in and see us.

element in the sale of a bone, and more than ever people in moderate lements with the sale of a bone, and more than ever people in moderate means who plint to own their own promes are demanding greater remarked and general erection."

From experience gained through his work in Eco Mr. Buckner states that "Men merchanditing homes house in such a workmanlike manner that no matter how small the initial payment, it is a sure sale."

The last phase would be more than the matter how small the initial payment, it is a sure sale. The last phase would be the more than the matter how small the initial payment, it is a sure sale. The last phase would be the more than the matter how small the initial payment, it is a sure sale. The last phase would be the more than the sale of the sale o

New Nine Store Built In Eco City

An interesting growth in the business places, in Eco City have followed the trend of the homes and have built up accordingly. The first business was started on the west of the tracks where the first residences appeared. A small grocery was the
