**They make Night Driving a Pleasure**

Controllable-Beam Headlights on the Better Buick add pleasure and great security to night driving.

Buick's new headlights furnish a safe driving light all the time, without blinding approaching drivers. A thumb control on the steering wheel lowers the beam while they pass.

Have you ever driven the Better Buick?

Come in and let the car itself show you its greater attractiveness and value. Controllable-Beam Headlights are one of many fine-car features which Buick, alone, offers you in the moderate price field.
