W. B. WILCOX ADDED TO R. R. ALLEN & COMPANY

Although the Robert R. Allen & Company is but a recent addition to the already large ranks of local real estate firms, it has built up a large business since it was established about two months ago. The company has selling rights in over 40 subdivisions in and around Birmingham and its list of saleable houses ranges from \$5,500 to \$50,000 in price.

W. B. Wilcox of Detroit has joined the sales force of the company and expects to move to Birmingham in the near future. He has had several years' experience in the real estate field and comes highly recommended as a salesman. Turning down several sales opportunities in Detroit, Mr. Wilcox selected Birmingham because, in his estimation, it offered more advantages in the selling of real estate than any other place in this section of the state.
