**\$87.75** 8-Piece Walnut  
Combination Dining Suite

This remarkable value includes a sixty inch buffet, extension table, one host chair and five side chairs upholstered in genuine blue leather of good quality. The suite is made in real walnut veneering combined with other good cabinet woods and so well finished that the difference can hardly be told.

This is only one of some thirty dining-room suites that we have on our display floors, with a wide range of prices. All our prices are low, because of our operating a furniture store and warehouse business in buildings that we own and operate with one organization.

No one is urged to buy and we guarantee complete satisfaction to every customer. We are open every evening until 9:00 o'clock.
