THE fact that the First National Bank of Birmingham for the third time increases its capitalization is important as it represents a greater banking facility for the further expansion of business. Whether it be individual or business needs this bank is fully qualified to care for every financial requirement. Its financial strength, built upon sixteen years of consistent growth, is amplified by the sound judgment and clear vision of its executives. No merger or consolidation has contributed to this bank's growth. Its foundation is based on **SOUND, PROGRESSIVE BANKING SERVICE.**

SERVICE

With a directorate of well-known business men the First National Bank of Birmingham by the extent and variety of its connections has been a fertile field of opportunity for thousands of clients.

People who save from a weekly wage and men who deal in millions are customers of this bank for precisely the same reasons---because they know its strength and stability; because they find its facilities perfectly fitted to their every need. A **demonstrated ability and a willingness to serve each and every individual** is responsible for the success of the First National Bank.

Every citizen of Birmingham and vicinity is invited to share in the bank's growth. Be it today or tomorrow our personal friendly service is waiting for you.
