a Record Breaking Year ... and a still

Greater Year to Come

With sales in excess of 250,000 cars, Dodge Brothers, Inc. have just completed the greatest year in their history.

Had it been possible to produce cars in sufficient numbers, their increase over 1924 would have been even more substantial.

This year the production problem has been mastered. A \$10,000,000 expansion program stands completed—and the enormous output of 1925 will be nearly doubled!

Production on this stupendous scale makes possible the astounding low prices announced January 7th.

It makes them possible even though the car is better today than ever before. These are but a few of the vital refinements-

> Rich and attractive new colors. Absolute smoothness of engine operation. A new snap and elasticity of operation throughout. Smart and stylish new body lines. Complete vision from every angle of the sturdy all-steel body.

Dodge Brothers Motor Car has always been an exceptional product. With these refinements, at these new prices, it is without question, the greatest value Dodge Brothers have ever offered.

DISCOVERING A FRIEND

(Author Unknown)
If sorrow never happened and trouble
never came
The only thing you'd know about your
neighbor is his name.
It all your came to the sorrow of the
You'd only know a fellow by the features of his face.
Acquaintances upon this earth are all
you'd ever known
If carried or known
grief you'd never known.

Until one morning sorrow came and all my world was grim. I saw his face, I felt his hand and knew he'd come to lend The strength I needed, and right then I found I had a friend.
