No Demonstration can reveal all of BUICK Excellence

ANY time you drive a Buick you will wonder how such a remarkable car can be sold at such a moderate price.

In just a few minutes you will realize that you are driving with much greater ease and security. And that you are surrounded by quality and luxury which rank with the very finest.

But demonstration will tell only part of the Buick story, and you should know all of it.

A demonstration cannot show you the enduring stamina of body and chassis that belong to Buick. Years are necessary for that. It can only suggest the powerful ability of Buick's 75 horsepower Valve-in-Head Engine, built for hills. It cannot tell you how thoroughly the Buick "Stepped Chassis" and the Buick "Triple Sealed" engine will protect Buick performance on dusty, gritty roads.

And it cannot even hint of the mental ease you will enjoy, with Buick Authorized Service "just around the corner," everywhere in America.

the Better Buick

Better Buick Six Cylinder Valve-in-Head motor costs more in price from \$11,500 to \$1900. Each Buick factory. Among the Buick open and closed models, choose what will meet your desire exactly.
