COMMUNITY HOUSE ITEMS

Brighten Up Your Kitchen With a New Gas Range

NOW is the time of year to replace the old stove with one of the modern gas saving ranges you will find on display at our store. A new range will not only brighten up your kitchen, but will also make cooking so much easier for you. The Oven Heat Control used on the modern stoves gives you a positive control of the oven heat— no more guessing—you cook scientifically and accurately with modern ranges.

RANGES \$19.00 and up
