**Catching Customers**

To make a sale you must first catch your customer.  
You, of course, have competitors in your business, people who are as anxious to sell goods as you are. How then, are you going to get buyers to choose your store in preference to some other?  
This is the answer: By making your show window so bright and inviting that they simply cannot resist its appeal. You know how a brightly-lighted window attracts you!
