An abandoned baby found by two English coal miners had bank notes equal to \$6,000 pinned to its clothing, with a note requesting that it be baptized under the name of Victor.

Leo Rettler won the corn husking championship of Iowa, averaging 20 bushels an hour.

STATE OF MICHIGAN—The Probate Court for the County of Oakland, at its session in said County, held at the Probate Office in the City of Pontiac, on the 22nd day of December, A. D. 1925.

Present: Hon. Ross Stockwell, Judge of Probate.

In the Matter of the Estate of Susan Cole, Deceased.

Wilton Sherman, executor of said estate, having filed his account as aforesaid, that the time for the presentation of claims against said estate be limited and that a time and place be appointed to receive, examine and adjust all claims and demands against said deceased and before said court.

It is Ordered, that four months from this date be allowed for creditors to present claims against said estate.

It is Further Ordered, that the 16th day of Mar. 1926, at eight o'clock in the forenoon, at said Probate Office, be and is hereby appointed for the examination and adjustment of all claims against said deceased.

ROSS STOCKWELL, Judge of Probate.

**Water Is Cheaper Than Watts**

DO YOU REALIZE that you are paying for all the electricity that your lamps take? And that if they are allowed to accumulate dust and dirt, the amount of light you ought to get is cut down, often as much as 50 per cent?

REMEMBER that dirt does not prevent the current from flowing through your lamps; it only reduces the amount of light you are entitled to.

SOAP AND WATER are cheaper than wasted current.
