On Sale at
Tremendous Savings

Here is a sale head and shoulders above any selling event ever staged in this territory. One hundred times greater than any Clearance Sale as this is not a sale of odds and ends, but a store-wide event. From the floor to the ceiling every dollar's worth of this immense stock of hardware, tools, and kitchen ware, all go into this greatest of all ten-day selling events. We are determined to crowd three months' business into the short space of ten days. There are no half way measures here. We have cut the prices to the very bone. Profit and cash have been forgotten. We are determined to sell. It is an event that will pay you to come 50 or 75 miles. There will be people here from every surrounding county. Join the throngs that will pack this store for ten days and share in the wonderful savings.
