More Dependable Than Ever

Dodge Brothers, Inc. achieved third place in world production this Spring because they have been able—WITHOUT SACRIFICING FUNDAMENTALS—steadily to improve the smartness of their product.

Owners and engineers know well that mechanically the car is sturdier than ever—cost of upkeep lower—and performance more dependable.

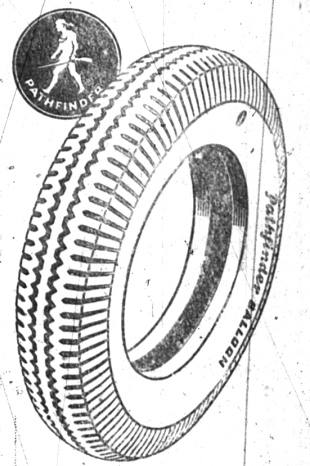

Refinements and lower prices have been made possible by spectacular increases in sales. Not by violating the basic tenet of Dodge Brothers success: NEVER TO LOWER QUALITY IN A SINGLE DETAIL.
