NEW LOW PRICES firestone

Car owners have never been able to buy tire mileage at so low a cost per mile as they can buy Firestone Gum-Dipped Tires today. And never before have they been able to buy tires so comfortable, safe and trouble free.

This is possible because of the highly skilled research engineers who have developed special machinery and processes for manufacturing fum-Dipped Tires, combined with economi-cal national distribution through efficient Service Dealers, many equipped with the latest Firestone methods of repairing High Pressure, Full-Size Bálloon, Bus and Truck Tires.

Firestone's long fight against the British Rubber Restriction Act has saved car owners millions of dollars.
