It's Serious Not to Sleep

Sleeplessness may be more serious than you think. It's unusual not to sleep and indicative of an unhealthy condition of the body—quite likely, because of disordered kidneys, poisons are flooding your system and threatening you with High Blood Pressure. Don't endure sleepless nights and risk serious developments. Mountain Valley Mineral Water from Hot Springs, Arkansas, will aid in giving you relief by flushing your system of poisons and by stimulating your kidneys and other organs of elimination. Don't suffer longer—phone us for a case today.
