Free Washing A PHONE call puts a Maytag Aluminum Washer in your home to do a week's washing without expense or obligation. To prove to you that it will wash your clothes cleaner—wash them quicker—wash them easier than ever before. To prove to you that the Maytag is "years ahead" of other washers in principle, in design, in construction, in washability. To show you why the Maytag won undisputed World Leadership in 600 days. Why it is the preferred washer in hundreds of thousands of homes. Why it sells itself in practically every home where it goes to do a trial washing. All of these things the Maytag will make plain to you when you wash with it in your own home. It will show you how big tubfuls of clothes can be washed clean in 3 to 7 minutes—whole washings—50 pounds of dry clothes—washed spic-span in one short hour. And, with the Maytag, you can wring while you're washing and you can put in or take out clothes from the tub without stopping the machine. You can wash tubful after tubful without changing the water because of the heat-retaining nature of the cast-aluminum tub, and the sediment trap beneath the gyrator that keeps the water clean. DO you know that Maytag manufactures 35% of all the washing machines made, notwithstanding the fact that there are over 112 different makes? Do you know that the Maytag plant is the largest washing machine factory in the world? Do you know that Maytag has features which are "years ahead" of other machines and which vitally concern you and your happiness? PHONE 299 AND BE CONVINCED!
