For Your Convenience

IT has always been the aim of the First State Savings Bank to render the best possible service to its clients.

Appreciation of this service on the part of our patrons is evidenced by our steady growth.

In remodelling our building we have tried to live up to our clients' expectations and to follow out our own policy of "the best possible service." Increased lobby space, a large vault and more safe deposit boxes are only a few of the improvements we have made.

We want you to know about the service we are giving our customers.
